## GET TO THE GAME!

**Bulldogs fans, enter now to win tickets, transportation and lodging for the annual Georgia-Florida game**

**“We loved it!”**

Walton Gas customers Lisa and Carl Gable of Peachtree Corners, winners of the Ultimate Fan Experience, say they had “great seats” for the 2023 edition of Georgia versus Florida football.

Walton Gas customer Lisa Gable gets right to the point when summarizing the weekend of fun she and husband Carl experienced as winners of last year’s Ultimate Fan Experience. The pair received a prize package to attend a legendary college gridiron event: the annual throwdown between the University of Georgia Bulldogs and University of Florida Gators in Jacksonville, Fla.

During the weekend, the Peachtree Corners couple and avowed Bulldogs fans had the opportunity to soak in the gameday atmosphere that is a trademark of the rivalry game.

“The city of Jacksonville really pulls out all the stops to make it a fun experience for the fans. Everything just stops and revolves around this game,” Lisa said. “There was tailgating and options to have fun and support your team in a friendly atmosphere the whole weekend.”

Lisa read about the Ultimate Fan Experience in the Walton Gas customer newsletter and decided to enter. It paid off with her name being drawn as the winner of a pair of game tickets, airfare for two, a two-night hotel stay and a \$150 gift card for

car rental — all the essentials for getting to Jacksonville for the 102nd meeting of the SEC rivals.

“Walton Gas made everything a breeze. We didn’t have to lift a finger,” Lisa said.

The Gables are now encouraging fellow Walton Gas customers to enter this year’s contest to see the Bulldogs and Gators clash on Nov. 2 at EverBank Stadium. All current Walton Gas customers are eligible to participate, and the online entry is simple. Details are available at [walgas.com/ultimatefanexperience](https://walgas.com/ultimatefanexperience).

Another perk of the prize package is the opportunity to socialize with fellow fans, Lisa reminded.

“The feeling of camaraderie by the fans is so great and makes you feel special to be part of such a great group of folks. ‘Dawgs fans — nothing finer in the land!”
